

Kosher certified and full of flavor.

Tradition has been central to Kelchner's for nearly a century. Our Kosher for Passover horseradish and horseradish with beets are popular choices during the Seder feast and are often passed across the table and down through the generations.

Horseradish

For nearly a century, families have been serving our Prepared Horseradish as part of their Seder feast. Our Horseradish for Passover bears the mark of the Rabbi who supervises preparation of the traditional bitter herb. Available in a 6.5 oz. jar.

Horseradish with Beets

Our Kosher for Passover horseradish with beets is milder and sweeter than traditional prepared horseradish. Its deep color is flavor for the eyes, adding a visual spark to the signature kick of horseradish. Available in a 6.5 oz. jar.
