

Kosher for Passover.

Tradition has been central to the Silver Spring Family for nearly a century. Our Kosher for Passover horseradish and horseradish with beets have been traditional favorites during the Seder feast and are often passed across the table and down through the generations.

KOSHER FOR PASSOVER - PREPARED HORSERADISH WITH BEETS

Our Kosher for Passover horseradish with beets is milder and sweeter than traditional prepared horseradish. Its deep color is flavor for the eyes, adding a visual spark to the signature kick of horseradish. Available in a 5 oz. jar.

KOSHER FOR PASSOVER - PREPARED HORSERADISH

Our fresh ground roots are ground to perfection, refrigerated and naturally preserved with vinegar to keep them that way. Available in both 5 or 8 oz. jars.
