

Hello Flavor.

AFTER 25 YEARS, WE KNOW A LITTLE SOMETHING ABOUT MAKING SPECIALTY MUSTARDS.

The same set of high standards we put into growing and processing horseradish are applied to our delicious specialty mustards. With ingredients like the finest mustard seed, turmeric, pure honey and smoky chipotle peppers, it's no wonder our customers say they're the best mustards on earth. We've got eleven mouthwatering flavors to make almost anything taste amazing.

BEER'N BRAT MUSTARD

The texture is more coarse than yellow or dijon mustard with eye-watering heat and a broad range of mustard flavors.

CHIPOTLE MUSTARD

Smoky, peppery mouth-watering body with a semi-coarse texture and a tangy finish.

DELI STYLE MUSTARD

A moderately coarse texture with subtle heat and a tart, earthy body.

EVERYTHING BAGEL MUSTARD

A delicious blend of spices, seeds, and aromatics.

JALAPEÑO MUSTARD

A tangy yellow mustard with the spicy heat and rich flavor of jalapeño peppers.

HONEY MUSTARD

A hint of sweet with subtle heat and a smooth texture.

STONE GROUND MUSTARD

Building on mustard tradition with just the right grind and combination of select mustard seeds.

DILL MUSTARD

A traditional, tangy yellow mustard with a subtle dill background.

DIJON MUSTARD

A tangy and full-bodied dijon with a creamy, smooth texture.

WHOLE GRAIN MUSTARD

A coarse texture with a tangy, peppery bite while the subtle heat of fresh horseradish rounds out the finish.

YELLOW MUSTARD

The gold standard of yellow mustards with a distinctly tart and tangy flavor.
